UNITED FRONT
MULTICULTURAL CENTER

The United Front Multicultural Center (UFMC) engages the University of San Diego community in exploring and affirming the unique identity of each person. The Center fosters an environment where student leaders feel empowered to become change agents for social justice and builds relationships with faculty, staff, students and community members to develop a foundation that honors and values diversity. The UFMC serves as an educational resource, working to contest the dominance of prejudice and intolerance, and works to enact the values of the University as "a welcoming, inclusive and collaborative community…marked by protection of the rights and dignity of the individual."

The United Front Multicultural Center supports USD’s 18 multicultural student organizations. The center’s work focuses on social justice, identity development and student leadership.
